

COPYRIGHT AND OPEN ACCESS POLICY

Author's Copyright

The authors own the copyright of their work published in **Çatalhöyük International Journal of Tourism Research** and their work is licensed under a Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) license. The CC BY-NC 4.0 license permits the work to be shared, copied, reproduced, and adapted in any size and format except for commercial use, including remixing, transforming, and building upon the work, provided that proper attribution is given to the original work.

1. **Authors read this agreement when uploading their work to our journals online system and upload a wet-signed copy to the journal system,**
2. That the submitted article is the original work of the author(s) and that they have not plagiarized,
3. All authors have individually participated in this study and take full responsibility for this study,
4. All authors have seen and approved the final version of the submitted manuscript,
5. The article has not been published or submitted for publication elsewhere,
6. They agree and undertake that the text, figures and documents contained in the article do not violate the copyrights of other persons,
7. Authors authorize this Journal to publish the article and to identify itself as the original publisher,
8. Authors grant any third party the right to use the article freely, as long as the original authors and citation details are identified,
9. Nothing in this license impairs or restricts an author's right to protect the integrity and ownership of their work,
10. All commercial rights related to the article belong to the authors.

Open Access is the availability of publications online to anyone, free of charge and with few restrictions on reuse. The unrestricted dissemination of research is especially important for authors, readers and funders. Articles published in **Çatalhöyük International Journal of Tourism Research** are published as open access under the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) license. **Çatalhöyük International Journal of Tourism Research** believes that for open access to work effectively, user rights and copyright ownership through licensing must be clear.

Çatalhöyük International Journal of Tourism Research

We publish all our articles under the Creative Commons Attribution Non-Commercial (CC BY-NC 4.0). This license allows the author and any non-commercial organization to reuse the articles for non-commercial uses, provided that they comply with the CC-BY-NC license. However, permission must be obtained from the authors for commercial users or commercial use. The CC BY-NC license is indicated in the articles. The full text of all articles published in **Çatalhöyük International Journal of Tourism Research** can be accessed by anyone via instant open access viewing at <https://dergipark.org.tr/en/>.

Under the CC BY-NC 4.0 license, the following can be done freely:

- Share: You may copy and redistribute the work in any medium or format.
- Adapt: Mix, transfer and build on the existing work.

The following conditions must be observed:

- Attribution: You must give proper credit, link to the license and provide information if changes have been made. You may do these things appropriately, but this does not imply that the licensee approves of you and your use.
- Non-Commercial: You may not use this material for commercial purposes.
- There are no additional restrictions: You may not impose legal conditions or technological measures that would legally restrict the use of the permissions provided by the license.
