1. Cosmetics have been used for thousands of years to improve the appearances of people and also to help keep them clean and healthy. We know that cosmetics were often used in ancient Egypt. Many beautiful jars and bottles which held oils and perfumes, have been found, and can be seen in museums. Men, in some primitive tribes and societies also paint their faces and bodies. This is usually done to show that they are of some high rank. Sometimes, however, it is used to show that the people of that group are taking part in some form of ceremony. Today, in our society, cosmetics are usually used to improve the appearance of people and to make them appear healthy. It is not difficult to obtain cosmetics today. Many are made cheaply from synthetic materials and vegetable oils. Cosmetics not only make people look good but also _____.

- A. are placed in museums
- B. establish the social rank of people
- C. help maintain an appearance of health
- D. can be used in place of vegetable oils

READING PASSAGES

The polar bear is a very big white bear. We call it the polar bear because it lives inside the Arctic Circle near the North Pole. There are no polar bears at the South Pole. The polar bear lives in the snow and ice. At the North Pole, there is only snow, ice and water. There is not any land. People can not see the polar bear in the snow very well because its coat is yellow-white. It has a very warm coat because the weather is cold in north of the Arctic Circle. Some people want to kill the polar bear for its beautiful coat. This bear can stand up on its back legs because it has very wide feet. It can also use its front legs like arms. The polar bear can swim very well. It can swim 120 kilometers in the water. It catches fish and sea animals for food. It goes into the sea when it is afraid.
